PUBLICS PARLIAMENT

Simplifying Indian Laws: Empowering the General Public

INTRODUCTION

- Welcome to our presentation on a revolutionary online web platform aimed at simplifying Indian laws.
- Our platform strives to make legal information accessible and comprehensible to the general public.
- Join us as we explore how this platform enables citizens to engage with laws, **comment on bills**, and **Analyze Sentiments** and **Summarize** .

PROBLEM STATEMENT

Challenges in Understanding Indian Laws:

COMPLEX

Indian laws are complex for the general public to comprehend

BARRIERS

Technicalities create barriers that hinder citizen engagement.

BIASED

Ubiased opinions are not expressed in typical media outlets

SOLUTIONS OFFERED :

Empowering Citizens

Citizen Empowerment Through accessible legal information

Clarity to Government

Facilitating Effective governance and Informed Decision making.

Bridging the Gap

Bridging the gap with Simplified legal access

COMPARITIVE ANALYSIS

NEVER BEFORE ⟹ Offers a unique feature that allows users to customize article and bill summarization based on preferences.

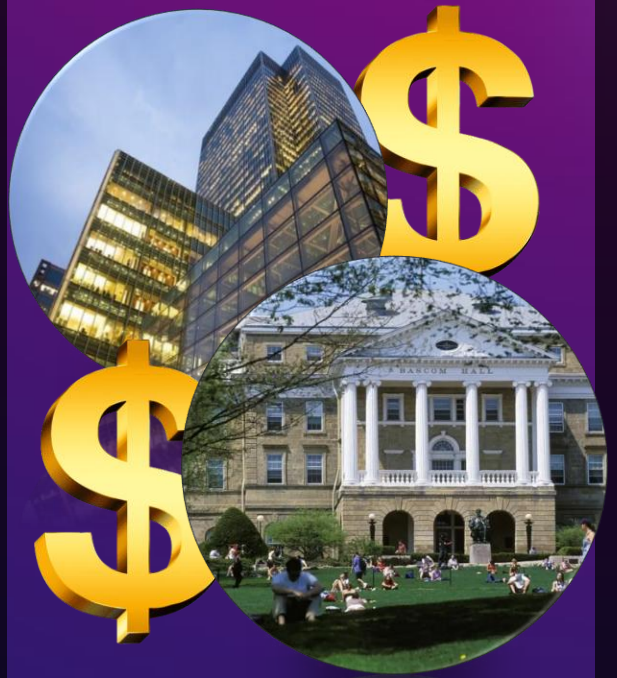
TAILORED USER EXPERIENCE ⟹ Pioneers a unique combination of **simplified legal access**, **user-based customization**, and **opinion sharing**, setting us apart as the **first** in providing such features for engaging with Indian laws.

STASTISTICAL ANALYSIS ⟹ **Sentiment analysis** drives statistical insights, revealing public sentiment towards bills on our platform.

FUTURE

PRIVATE SECTOR ENGAGEMENT

Can be extended to the private sector, allowing organizations to gather insights from employees or customers on various policies, initiatives, or legal matters.Facilitates more inclusive decision-making processes , enhance transparency within private organizations.



EDUCATIONAL INSTITUTIONS

Implementation in educational institutions provides a platform for students and faculty to express their opinions on academic policies, curriculum changes, or institutional decisions.Fosters participatory environment, insights and shape the direction of the educational institution.
